Title of the event:

“Design thinking event for first year students”

Number of Participants:

110+ participants

Date & Time:

24th May 2023, 01:30 PM to 03:30 PM

Objective/purpose of event:

1. The event aims to provide opportunity for first year students to work in a team to solve a given problem
2. Enhance the creative thinking of the students

Expected / target audience:

First year students of GIT

Activity done:

1. Students were briefed about how design thinking process is done, the steps to be followed in the process
2. Team of 5 students was formed to participate in the event.
3. Students were given problem statement
4. Students participated enthusiastically to come up with the optimal solution for the given problem
